

## **Broadway Village Hall.**

Broadway Village Hall is a large hall located on the outskirts of Broadway, on the same site as the village Medical Centre, and is just a short distance from both the village church, as well as the local school.

The hall has just celebrated its 30<sup>th</sup> Anniversary and over the past two years has been considerably updated internally, all thanks to the dedicated volunteer committee, who oversee the smooth running of the hall.

The hall has had all of the windows replaced with double glazing, the last few were completed earlier this year. All the curtains have been renewed, new carpets fitted to the entrance foyer and Jubilee Room. There are many other projects planned for the next few years. The hall will continue to be maintained and updated to keep pace with village needs.

The main hall measures some 56ft by 29ft. It is one of the largest halls in the area. The polished wood floor is marked out for a badminton court. The hall was built with a high ceiling specifically for this purpose. The University of the Third Age (U3A) club use it for both short tennis as well as badminton. Short Mat Bowls is played here once a week. The hall is often used for children's parties, as the length of the hall can accommodate inflatable play assault courses.

The hall is also equipped with a large stage, complete with lighting, backstage changing room and a recently upgraded hearing loop system. The local Drama group, BATS, regularly perform plays and musical shows.

A smaller meeting room, off the hall is 21ft by 19ft, carpeted and with access to a disabled toilet. The kitchen is spacious and modern, with plenty of worktop space, a double and single sink and separate hand wash basin. There are all the essentials you would need for catering. There is a large range cooker, fridge freezer, microwave, toaster, hot water urns, kettles, and a professional dish washer. There is crockery and cutlery to cater for 120 people, as well as tables and chairs. Both the kitchen and adjacent bar area have roller shutter access to the hall, making it excellent for any type of function. The bar is not a stocked one, Applying for a TENS licence from the District Council, would give permission to sell alcohol.

Outdoors are two enclosed grassed areas, together with a large carpark

This is a busy hall; however there is plenty of availability for weekend bookings, as well as some limited weekday opportunities.
